***“This One is the Only One
for my Home!”***

ELITE 2000

**Buy with confidence
from a company you
can rely on.**

As important as the design of your new recreational living enclosure is to you, having confidence in the integrity of the company who makes the product and the contractor who installs it, should be of equal concern.

**What you buy
is what you get!**

The Elite 2000™ system is by far the highest quality product in the industry. It should give you many years of care free, luxury living.

**You get what
you pay for.**

Elite 2000™ is manufactured by Elite Aluminum Corp., one of America's largest manufacturers of premier insulated panels for over 20 years.

ELITE 2000™

Make A Statement...

"The Million Dollar Look of the Future"

Features:

Distinguished Architectural Design

Concealed Fasteners & Connections

**Electrostatically Coated Ceramic Finish
in White, Almond or Bronze**

The Elite 2000 advantage

Elegant Appearance

Premium Quality Materials

**Center Recessed Screen, Glass
or Panels**

Unequaled Durability

Self Closing Gate Hinge

Durability

Hidden fasteners won't rust because they are not exposed to the elements.

State-of-the-art materials and technical advances can withstand increased loads from wind, rain & snow.

Low Maintenance

Crowned & tapered shape makes cleaning easy.

Design reduces dust collection.
